******PRESS RELEASE****WALLA WALLA POLICE DEPT****
City signs agreement for Police Officer applicant testing**

March 20, 2014

The City of Walla Walla will no longer conduct the testing to establish initial rankings for applicants who wish to become Police Officers for the City. An agreement has been signed with Public Safety Testing to conduct the written and physical ability portions of the testing process.

Public Safety Testing will conduct testing for Entry Level and Lateral Police Officers on April 27th at Walla Walla High School. Further information can be found on their website at www.publicsafetytesting.com. Potential applicants must register through the website to take part in the testing process.

Applicants who successfully complete the first two phases of testing will be ranked, with the top candidates invited to participate in an oral board interview at a later date. The scores will be used to create a Police Officer eligibility list.
